Learning & fun for . . .

Cornell Adult University’s
Summer Youth Program

B20 Day Hall
Ithaca, NY 14853-2801

Much more than a camp

© 2013 Cornell's Adult University. Cornell's Adult University reserves the right to change or cancel this program. Cornell University is an equal-opportunity, affirmative-action educator and employer. For policies governing participation in this program, see www.sce.cornell.edu/scepolicies or contact SCE. 0313 .

Week I: July 8–12
Week II: July 15–19
Week III: July 22–26
Week IV: July 29–August 2

li'l Bears
ages 3-4
Through songs, dances, games, stories, and rhythmic instruments, Li'l Bears will explore Music and Motion from around the world. Crafts, outdoor play, and visits to interesting places on and off campus will round out each safe and happy day.

Note: Children must be potty trained. (8:30 a.m.–4:30 p.m., M–F)
$335

Tykes
ages 5-6
Tykes will go On Safari, investigating the cultures, customs, and natural habitats of lands where lions, giraffes, elephants, and other creatures great and small roam the earth. Hands-on maps and model projects, music, crafts, games, and field trips will fill each day with fun and friends. (8:30 a.m.–4:30 p.m., M–F)
$415

Explorers
ages 7-8
While building their own model planes and imaginative soaring machines, Explorers will Take Flight and learn basic aeronautic principles of airflow, propulsion, stability, and control. Swimming, games, crafts, and play will blend with education for a week of nonstop fun. (8:30 a.m.–4:30 p.m., M–F)
$435

Big Reds
ages 9-10
Junior Cornellians
ages 11-12
Big Reds and Junior Cornellians will attend a weeklong course of their choice in the morning (see next page). Afternoon activities will include swimming, bowling, team-building workshops, crafts, and visits to places of interest on and off campus. (8:30 a.m.–4:30 p.m., M–F)
$450

TEENS
ages 13-16
Teens can attend under one of two options and choose a weeklong morning course from those listed on the next page.

Commuter Teens will attend from 8:30 a.m. until 10 p.m., Monday through Friday. Tuition includes the morning course, lunches, dinners, snacks, and the afternoon and evening program. $625

Resident Teens will live in a dorm with their counselors from Sunday afternoon until Saturday morning. Tuition includes room, meals and snacks, and the full program (morning course plus afternoon and evening activities). $1,030

Youngsters in CAU's summer program get a wonderful taste of life at Cornell while enjoying the fun and friendships of a terrific camp. Supervised by well-trained, caring counselors, your child will enjoy:
• A wide range of entertaining, educational activities,
• Stimulating field trips, healthy, kid-friendly meals, and
• A chance to explore Cornell’s amazing resources and beautiful campus.

It's one great program, with four great weeks!
Much more than a camp

Courses for Big Reds ages 9–10

Arts All Around You
Experimenting with objects and textures found in nature and using a variety of traditional art supplies and materials, Big Reds will design and develop creative art projects to dazzle their friends and family. They’ll craft, mold, shape, build, paint, and draw and learn to see and explore the world with an artist’s eye.

Rockets and Robots
Working solo and in teams, Big Reds will build and launch their own rockets and learn how robots work, what they do, and ways in which they’ve transformed the world. Using principles of science, technology, engineering, and math, Big Reds will enjoy hands-on robotics and discover the mechanisms of machines that think, sense, and act on their own. Additional fee: $30

Courses for Big Reds and Junior Cornellians ages 9–12

Horse Care and Riding
Learn the basics of horsemanship, such as control, posting to the trot, and cantering. You’ll practice leading and handling horses, grooming, saddling and bridling, and discover all sorts of useful information, such as how to give horses a bath and how to tell age from their teeth. Additional fee: $150 (Limited enrollment—register now!)

Outdoor Adventures
If you’re a kid who likes to be on the move, you’ll enjoy this active program. In addition to ground-level games and lessons on safety and technique, you’ll have the opportunity to sample group activities on the Hoffman Challenge Course and rappelling on the Lindsey Climbing Wall. Additional fee: $140 (Limited enrollment—register now!)

Sailing
Learn about the parts of a boat and how to tie knots, and get hands-on practice in setting sail and navigating through water. The indoor rainy-day demonstrations and outdoor fun on the lake don’t require any previous sailing experience, but you must know how to swim. Additional fee: $130 (Limited enrollment—register now!)

Courses for Junior Cornellians ages 11–12

Kids in the Kitchen
A basic nutrition and culinary course, with instruction, demonstrations, and cooking every day. JCs will visit professional kitchens at Cornell and in town, learn from experienced chefs, prepare a lunch buffet for friends and parents, and bring home a book of the week’s favorite recipes. Students should bring their own full apron with bib and must agree to handle equipment and utensils safely. Additional fee: $25

Natural Wonders: Physical Science
JCs will discover and experiment with physical phenomena that make things work: energy and matter, mechanics of propulsion and movement, magnets, light, sound, and electricity. They’ll enjoy lots of hands-on activities under the guidance of Cornell student scientists while learning to observe, measure, solve problems, and communicate findings.

Writers Circle: Writing Sampler
Open to JCs who are at least twelve years old, space permitting. See course description under “Teens.”

Program charges
For the weekly program charges, see the registration form to the right. Please note, some morning courses have additional fees.
The charge for Li’l Bears, Tykes, Explorers, Big Reds, and Junior Cornellians includes the full program (8:30 a.m.–4:30 p.m., Monday through Friday), healthy lunches, fresh fruit, and snacks.

Two Teen options are available:
- The charge for Commuter Teens includes the full program (Sunday afternoon until Saturday morning) as well as room and board.

Courses for Teens ages 13–16

Outdoor Teen Adventures
Featuring rigorous challenges for novice and experienced climbers supervised by instructors from Cornell Outdoor Education (COE), this program will include teen-level ground games, Hoffman Challenge Course elements, ascents on COE’s West Campus Climbing Wall, and a Tyrolean traverse across Beebe Lake Gorge. If you’re a teen who enjoys non-competitive but highly physical activity, this is a good recreational opportunity in a safe but exciting learning environment. Additional fee: $140 (Limited enrollment—register now!)

Sailing on Cayuga
This complete introduction to sailing and tying knots, with lectures, demonstrations, and practice on Cayuga Lake, will be taught by certified instructors and supervised by Cornell’s superb Department of Athletics and Physical Education. You must know how to swim and be prepared to fall in and tread water, rain or shine. Additional fee: $130 (Limited enrollment—register now!)

Veterinary Science: Field, Farm, and Clinic
If you love animals, this course will introduce you to the training, skills, and responsibilities required to work with them as a veterinarian, farmer, zookeeper, trainer, or pet-shelter technician. You’ll explore veterinary public health and preventive medicine, animal welfare and clinical ethics, and the human-animal bond. Classroom discussions and demonstrations will alternate with field trips.

Writers Circle: Writing Sampler
Discover how good writing works and how to make yours powerful. From hip-hop to Shakespeare, poetry to prose, personal memoir to fiction, this informal workshop will lead you through a wide range of language, thought, and feelings. You’ll develop a sharp eye and ear for what makes an exciting poem, essay, or story. This is a perfect course for the novice as well as the experienced writer.

Registration Form
Please duplicate this form if registering additional children.

Much more than a camp

Youngsters in CAU’s summer program get a wonderful taste of life at Cornell while enjoying the fun and friendships of a terrific camp. Supervised by well-trained, caring counselors, your child will enjoy:

- A wide range of entertaining, educational activities,
- Stimulating field trips, healthy, kid-friendly meals, and
- A chance to explore Cornell’s amazing resources and beautiful campus.

This nationally acclaimed summer educational program also features the highest staff-to-youth ratios in day camping. It’s one great program, with four great weeks!
