The 138-Guest

YORKTOWN

Travel Dynamics International
Excellence in Small-Ship Cruising Since 1969
The Yorktown is the perfect vessel for relaxed and convivial exploration of North America’s great coastal waterways. Built in Florida in 1988 specifically for coastal cruising and certified by the U.S. Coast Guard, the Yorktown flies the American flag and is staffed by friendly and experienced American officers and crew. 257 feet long, 43 feet wide, with a draft of 8 feet, the Yorktown is able to maneuver in secluded waterways and visit small ports that are inaccessible to larger vessels. And Yorktown’s American registry makes it possible to operate domestic itineraries unavailable to foreign-flag ships. In addition to a large sun deck, the Yorktown boasts a spacious lounge for social gatherings and lectures as well as quiet space for private conversation. The ship’s cuisine, served in a dining room large enough to accommodate all guests at once, emphasizes American regional culinary traditions and specialties. Both the lounge and dining room are surrounded by large picture windows that afford unobstructed views of the passing scenery. Accommodating 138 guests in 69 exterior cabins, the Yorktown enjoys an atmosphere of warm and relaxed informality that endears it to repeat and new guests alike.
Category AA, A, and B cabins feature a large picture window for unobstructed views of the passing scenery.
